TOKYO, JAPAN – 15 January 2025 – Dragami Games, Ltd. (Headquarters: Shinagawa-ku, Tokyo; President: Yoshimi Yasuda) is proud to announce a free major update for the zombie action game “LOLLIPOP CHAINSAW RePOP”. This update will include the implementation of a new system, “Photo Mode,” and a new costume, “Goth Outfit.”

■ Capture Your Unique Moments with the New “Photo Mode” !

The “Photo Mode” allows players to pause the game at any moment and take stunning in-game photos. Once activated, players can adjust the camera angle, depth of field, Juliet’s poses, and facial expressions to create their own original shots. By using the screenshot functionality of each platform, players can capture their masterpiece.

Additionally, players can enhance their photos with filters and frames for a more personalized touch. Be sure to check the official LOLLIPOP CHAINSAW RePOP website for detailed instructions on how to use this feature. Don’t miss the opportunity to create your perfect shot!

■Introducing the Long-Awaited “Goth Outfit” Costume!

The “Goth Outfit” costume was originally distributed as a store-exclusive bonus for the previous Lollipop Chainsaw game, characterized by its distinctive black rouge.

This outfit exudes a dark atmosphere, allowing you to enjoy a different side of Juliet’s charm.

Be sure to experience this new style along with the “Photo Mode”!
